

## **Mounting Location**

Place the rain gauge in an open area away from roof lines or water runoff. For accurate measurements, do not place near water runoff from a roof line or any other structure.

## **Mounting Instructions**

1. Use screws (not included) to mount the top bracket to a deck/fence rail or top of a stake.
2. Slide the rain gauge in or out of the mounting bracket for installation, emptying and cleaning. Be sure to insert floating rain level marker.
