

Mounting location:

Place the rain gauge in an open area away from a roof line or water runoff. For accurate measurements, do not place near water runoff from a roof line or any other structure.

Mounting instructions:

(A) First, slide the bottom bracket off the unit, and use included screws to mount the bracket to a deck or fence rail in an open area away from a roof line or other water runoff.

(B) Next, slide the unit on or off the bottom mounting bracket for installation, emptying and cleaning.

(A) Top slides off unit for easy cleaning and emptying.
